3. RESEARCH PROJECT DETAILS

3.1 Provide a complete but concise description (no more than 5000 characters, including spaces) of the study objectives and study design, so that the relevant ethical aspects can be identified.

- From this, please identify the aspects clearly that you believe require ethics clearance.
- Please note: do NOT submit a complete research proposal. The Ethics Committee will not consider this, but will only consider the documents required for submission of an application.

3.2 Will a research questionnaire/survey be used?

- If Yes, please answer the next question. If No, ignore the next question.
- Please submit your questionnaire, survey questions or interview questions with your application. This will be a separate file that should be submitted as a pdf file, using this filename format: Questionnaire.pdf or Survey.pdf

Yes

No

3.2.1 Does your questionnaire/survey include any personal questions? (including ANY of the following: name, address, email address, any other information by which a respondent can be identified, gender, age, race, income, medical status)?

Yes

No

3.3 Are employees of a firm, organisation or institution questioned as informant in this study?

- If Yes, please submit letter(s) of permission from this entity to carry out this study. It should be clear that the person giving permission is authorised to do so and should be on a company letterhead and should include the date and that person's signature.
- Where required, your application cannot be considered without this permission.
- This letter should be submitted as a pdf file, using this filename format: CompanyPermissionLetter.pdf

Yes

No

3.4 Will you be surveying or questioning UP students or UP personnel in this study?

- If Yes, you need to submit a letter or email from the Dean that provides permission for you to include UP personnel or students as participants in your study.
- Where this is required, your application cannot be considered without this permission letter.
- This letter should be submitted as a pdf file, using this filename format: DeanPermissionLetter.pdf

Yes

No

4. RESEARCH PARTICIPANTS

Does the project involve people as participants, either individually or in groups?

If Yes, please answer questions 4.1 to 4.7. If No, continue to section 5.

Yes

No

4.1 Does the study involve people as informants, or does it involve people as research subjects?

Informants are people of whom you require an opinion, e.g. people that are interviewed or that take part in a survey.

Research subjects are people that actively take part in research, e.g. where biological measurements are made (e.g. heart rate) or where people take part in behavioural tasks (e.g. listening tasks)

Informants

Subjects

4.2 Describe possible safety and health implications that participation in the project may pose.

4.3 What is the expected duration of participation of people in the project?

4.4 Describe the manner in which confidential information will be handled and in which confidentiality will be assured.

4.5 Please explain how and where data will be stored. It should be clear that data will be appropriately protected (e.g. password protected in encrypted files).

4.6 Is remuneration offered to subjects for participation? If yes, please expand.

4.7 INFORMED CONSENT/ASSENT

Informed consent is a requirement for *all* studies. All participants need to provide individual informed consent, which the researcher should keep on record. An example for an informed consent form appears on the website, but this should be adapted to be very specific about your study and what you will require of participants.

Please submit your informed consent form (an example of the form that you will use) with your application.

This should be submitted as a pdf file, using this filename format: InformedConsent.pdf

4.7.1. Please describe what you will do to obtain informed consent/assent from your participants (or their caregivers in the case of underage participants).

4.7.2 Detail the measures you will take to ensure that participation is voluntary.

5. ENVIRONMENTAL IMPACT and HAZARDOUS MATERIALS

5.1 Does the project have a potentially detrimental environmental impact, or are hazardous materials used in the project?	Yes	No
<ul style="list-style-type: none"> If Yes, you will need to submit a letter of approval from the Department of Facilities and services, Occupational Health and Safety division, before the Ethics Committee can consider your application. If section 5 (this section) is the only aspect of your project for which you require clearance from the Ethics Committee (i.e. no people or animals are included in your study), you should not apply to the Ethics Committee, but should apply for clearance directly to the Occupational Health and Safety division. If No, continue to section 6. 		

6. DISSEMINATION OF DATA

6.1 How and where will your results be published and/or applied?

7. DECLARATION (Tick the relevant boxes)

	I accept and will adhere to all stipulations pertaining to ethically sound research as locally, nationally and internationally established.
	I will conduct the study as specified in the application and will be principally responsible for all matters related to the research.
	I shall communicate all changes to the application or any other document before any such is executed in my research, to obtain the necessary permissions from the Ethics Committee.
	I will not exceed the terms of reference of the research application or any other documents submitted to the Ethics Committee.
	I confirm that I'm not seeking ethics clearance for research that has already been carried out.
	I affirm that all relevant information has been provided and that all statements made are correct.
	I have familiarised myself with the University of Pretoria's policy regarding plagiarism http://www.aibrary.up.ac.za/plagiarism/index.htm . Plagiarism is regarded as a serious violation and may lead to suspension from the University.
